

Share in their Hopes... Share in their Dreams...

Be a Corporate Sponsor & Join our Team!

There is something about playing the game of baseball that lights up the eyes of a player. Unfortunately that opportunity is often not available for players who face physical and/or mental challenges. Sports Made Possible changes that.

[Sports Made Possible: Mission & Focus](#)

Sports Made Possible is a 501C3 charitable organization that provides children and adults, who are living with various mental and/or physical challenges an opportunity to play baseball as a team member in an organized league.

In April of 2006, the Jason Jennings Adaptive Field had its first opening day. The field is made of a rubberized surface which removes the obstacles which have prevented children and adults with disabilities from playing in an organized baseball league. It is the only one of its kind in the state of Colorado!

Everybody hits. Everybody scores. Everybody wins! During each game, every player is given an opportunity to hit the ball and score a run. Team members are assigned “buddies” who assist them in hitting the ball and “running” the bases. Our buddy volunteers come to us from all over the metro area. They can be fellow classmates, parents, college students, business leaders, or anyone wishing to volunteer their time to give a player the gift of baseball.

How can you help us keep the dream alive? It's easy...

Be Seen. Be Heard. Be a Corporate Sponsor!

Through the gift of Corporate Sponsorship, you can help us continue to help others. Our field originally cost approximately \$400,000 to make. Although most of what we do is through the help of volunteers and donations, we still have yearly expenses, including to provide financial aid to approximately 25% of our players who cannot afford it. We also know in order to keep the dream alive, we need to resurface the field approximately every 10 years. We are looking for corporate sponsors who can help us guarantee we can meet the needs of our community.

Here is why you should become a corporate sponsor:

Each season, we have 70 -100 players. That's 70 + players, their parents, siblings, grandparents, aunts, uncles, cousins, friends, classmates, neighbors, etc. coming to our fields to share in their dreams. We typically have over 400 volunteers each year, plus their family and friends, who come out to watch. We have spring and fall leagues, each with eight games, for a total of 16 games a year, along with other special events on our field. Evidence of your generous donation and services to our organization will be seen by hundreds if not thousands of people at every game and event, not to mention our website, media releases, brochures and literature. **All we are talking about is as little as \$500 to a couple thousand dollars a year for advertising, and helping out a great cause in the process!**

Help us to continue to offer the *hope* of being accepted for who you are, not excluded for what you cannot do. Help us keep alive their *dreams* of being a part of something bigger, better and so much fun. Please, be a corporate sponsor and be a part of our *team*.
